To Our Local Businesses and Hudson's Bay Foundation Sponsors:

I am reaching out on behalf of the Hudson's Bay High School Senior Class of 2022. It has been a struggle for many of our students as they return to school and rejoin the new "normal". Many of our students are feeling out of sorts, as they re-adjust with the return to school. Because of the ongoing struggle with COVID, they are without the Senior assemblies and other activities that lift school spirit and inform all students of the traditions of the outgoing Senior class. The year continues to be a challenging year, but we believe you can help us end the year on a high note and promote your business in the process.

Our volunteer parent group is seeking donations for our spring auction in April 2022. All proceeds will support the Senior Class Sober Soiree, an end of the year party for our Seniors, who have endured some serious educational and social hurdles. The money we raise will allow us to host a safe overnight graduation party at a secret venue with a luxury bus ride. As we meet our goals in raising money, we hope to continue to lower the cost per student, offer scholarships to Seniors with financial need, and host an event they'll remember forever, (within COVID guidelines, of course).

As we prepare for this auction, it would be very helpful if you would please include an estimated value for the item(s) you contribute, to help us guide how we structure starting bids. Your donations are tax deductible as the Hudson's Bay Foundation is classified as a tax-exempt 501 (c) (3) under the Internal Revenue Code. We are happy to provide you with a receipt for the market value of your donation upon request. Our Federal Tax Identification Number (aka EIN) is 27-1912190.

All contributions need to be received no later than April 1st. In appreciation of your generosity, you will receive recognition on the auction website along with a posting on our Facebook and Instagram pages.

Please do not send your contributions to the school, since they have restrictions that are bound by COVID. You may contact me, if you need us to pick up any donations or you may simply mail your contribution directly to:

Thank you in advance for taking the time to review this request for donation. We greatly appreciate your support!

Regards,

Angie Tatum, Senior Parent Class of 2022 President
